Things to See and Do in Cairns

There are so many unique attractions and activities to see when you visit WorldMark Resort Cairns. Cruise to the reef or nearby islands, take a 4WD safari to the outback, trek into the rainforest or see the region from the rainforest cableway above its green canopy on your way to or from Kuranda.

Local Attractions

The Great Barrier Reef: One of the top reasons people visit Cairns is to experience the Great Barrier Reef. The amazing array of marine wildlife and exotic colours cannot be found anywhere else in the world. Beautiful reefs, exotic fish, clear warm water and the hot sun combine to make sightseeing in Cairns a glorious experience.

Skyrail Rainforest Cableway to Kuranda: Glide over the rainforest canopy to Kuranda, the market village in the rainforest. The skyrail experience, spanning 7.5 kilometres over pristine rainforest, allows you to explore the wonders of an ancient tropical rainforest and learn about one of the most botanically fascinating and diverse areas on Earth.

The Cairns Esplanade/Markets: The Cairns foreshore has been transformed from a tidal mudflat swamp into a world-class facility incorporating an outdoor amphitheatre, a large sandy swimming lagoon, grassy picnic areas, walking tracks, public barbecues, children's playground, shops and restaurants. The foreshore also includes an environmental interpretation centre and a Great Barrier Reef Cruise departure terminal. The Cairns Esplanade Markets are held every Saturday between 8am and 5pm. They showcase local, quality stalls selling contemporary jewellery, woodcraft, leather work, pottery, airbrush tattoos, clothes, skincare, relaxing massage stalls and so much more.

Crystal Cascades: Crystal Cascades is one of the hidden treasures of Tropical North Queensland. It is a secluded freshwater swimming hole, hidden in a tropical rainforest. A series of small waterfalls flow into large pools surrounded by boulders. Rainforest trees hang over the water keeping it cool and refreshing. Free from stingers and jellyfish, the location is ideal for cooling down on a hot summer's day.

Tjapukai Aboriginal Cultural Park: Experience Aboriginal life and culture in Tjapukai Aboriginal Cultural Park. The park enables guests to immerse themselves in Aboriginal culture with authentic music, dance and storytelling by the Tjapukai people. Aboriginal performers engage guests with interactive activities such as didgeridoo playing, face painting and boomerang throwing. With the inclusion of a full buffet, this is a great experience for anyone wanting to learn more about Aboriginal culture.

Dining Out: Cairns is known for its array of delightful, trendy cafés and restaurants. Many of these are open all day for a relaxed breakfast, lunch or dinner. Cairns has long been a popular spot for families with many eateries offering well-priced family meals. While in Cairns, why not try some native 'Aussie tucker' (including crocodile and kangaroo) at the Red Ochre Grill restaurant located at 6/1 Marlin Parade, Cairns City.
