

# Program Guidelines

Discovery by Wyndham ('Discovery' or 'Discovery Program') is provided by Wyndham Destinations Asia Pacific Pty Ltd ('Wyndham'), which is also the Developer of the WorldMark South Pacific Club ARSN 092 334 015 ('WorldMark South Pacific Club' or 'the Club').

The Developer has established the Discovery Program for those who may be interested in joining the WorldMark South Pacific Club and may not be in a position to do so at the present time. A Discovery Membership enables Discovery Members to experience some of the benefits and selected WorldMark South Pacific Club Resorts that will become available to them should they become a WorldMark South Pacific Club Owner during their Discovery Membership. Existing WorldMark South Pacific Club Owners are not eligible to join the Discovery Program.

A Discovery Membership allows Discovery Members to choose how they utilise their Discovery Credits, whether that be for one large holiday or multiple shorter getaways in quality accommodation; stays in high (Red), mid (White) or low (Blue) seasons; or in different Resort Apartment sizes and types.

Membership in the Discovery Program is separate and distinct from Ownership in the Club. The Club has its own specific rules, regulations, guidelines and use conditions. Benefits of the Club, such as Bonus Time, Grab Its and guest usage; the ability to exchange Credits with exchange companies; and Developer benefits, such as Fun Time, Associate Resorts and Privileges by Wyndham, are not available to Discovery Members. For the avoidance of doubt, becoming a Discovery Member does not make Discovery Members Owners in the Club nor entitle them to any interest in the Club.

These Discovery Program Guidelines govern use of the Discovery Program by Discovery Members. Wyndham, as the provider of the Discovery Program, may amend, revoke, modify or add to the Discovery Program's benefits or guidelines at any time at its complete discretion without prior notice. These changes may also include, but are not limited to, the amendment of benefits, fees or hours of operation.

## 1. Discovery Membership Use

- a. Transmission Date for a Discovery Membership will be within 12 calendar days after Purchase Date and Discovery Members will receive correspondence from Wyndham accepting their application for a Discovery Membership. However, Discovery Members will only be able to make reservations where the check-in dates will occur after the Travel Activation Date, per clause 1(b).
- b. Travel Activation Date of Discovery Memberships is within 12 calendar days after the date when Wyndham has received either:
  - i. the full payment amount of the Discovery Membership purchase price; or
  - ii. if the Discovery Member(s) has chosen to pay by instalments, the date Wyndham receives a minimum Threshold Amount as advised on the Purchase Date (exclusive of GST and processing fees).

- c. Discovery Members may only check-in for stays at selected Resorts included in the Discovery Program once the Travel Activation Date has occurred.
- d. Discovery Credits are valid for 12 months from the Travel Activation Date ('Credit Expiry'), after which time they will expire. No extensions to the Credit Expiry date will be allowed.
- e. Wyndham does, however, reserve the right to reinstate Discovery Credits to a Discovery Member's account by issuing new Discovery Credits at their complete discretion.
- f. Discovery Members are solely responsible for ensuring Discovery Credits are utilised prior to the Credit Expiry date as noted in clause 1(d).
- g. Discovery Credits have a 12-month booking window, each Discovery Credit is for one time use only and they are considered 'used' once the Discovery Member(s) has/have received confirmation of their reservation from Wyndham and applicable number of Discovery Credits have been deducted from the Discovery Member account.
- h. All Discovery Membership reservations must be at a Resort available through the Discovery Program, regardless of the source of Credits used.
- i. Discovery Credits can only be used towards accommodation at the selected Resorts available through the Discovery Program and not towards other items including, but not limited to, housekeeping or any other Resorts available outside of the Discovery Program, including with exchange companies.
- j. Discovery Members are responsible for advising Wyndham of any changes to contact details including phone, mobile, email and postal address during their Discovery Membership to ensure they are kept up to date with any changes or information related to their Discovery Membership.

## 2. Duration of a Discovery Membership

- a. The duration of a Discovery Membership depends on a Discovery Member's individual circumstances, in particular the date the Threshold Amount noted in clause 1(b)(ii) is paid to Wyndham and the subsequent Travel Activation Date occurs, and adheres to the reservation conditions as noted in clause 2(c).
- b. Expiry of the Discovery Membership is 24 months from the Travel Activation Date ('Membership Expiry') and no Discovery Membership may extend past 36 months under any circumstances regardless of special considerations.
- c. All Discovery Member reservations must:
  - i. be made for a stay that occurs after the Travel Activation Date (refer clause 1(b)); and
  - ii. be made and confirmed within 12 months of the Travel Activation Date (after which time the Discovery Credits will expire); and

- iii. ensure the last day of travel occurs within 12 months from the Expiry date (being 12 months from Travel Activation Date). Travel may not be extended past this date.

### 3. Reservations

- a. As a trial program, the Discovery Program is designed to allow Discovery Members to personally experience Resort stays at selected Resorts. As such, unless otherwise authorised by Wyndham, only those persons registered on the Discovery Membership are authorised to:
  - i. make reservations; and
  - ii. check-in for reservations with a reservation confirmation and suitable photo identification, such as a driver's licence; and
  - iii. access information regarding their Discovery Membership and reservations.
- b. Confirmed reservations are not to be sold or rented to a third party.
- c. Failure to comply with these conditions may result in the reservation being cancelled and Discovery Credits forfeited.
- d. Discovery Members are able to make reservations by contacting the Discovery Service Specialist Team via the phone or email details provided on the back of this Discovery Program Guide.
- e. Online access to account information and online reservations are not benefits of a Discovery Membership.
- f. Reservations are:
  - i. subject to availability;
  - ii. honoured on a first to book, first served basis;
  - iii. made via a 'Best Fit System', a computerised reservations system that assigns the highest priority Resort Apartment available for the requested length of stay. Preference is given to those reservations made the furthest from the date of arrival and Resort Apartments with various special features, such as high floors or preferred views, are ranked higher than rooms without special features; and
  - iv. only considered final and valid once confirmed in writing (including via fax or email) to a Discovery Member with a reservation number.
- g. Wyndham does not guarantee any reservation other than that confirmed in the manner in clause 3(f).
- h. Discovery Members are advised to check reservation confirmations once received and contact the Discovery Service Specialist Team if any information is incorrect or if they have not received a reservation confirmation within a reasonable timeframe.
 

The reservation confirmation will state:

  - i. the number of Discovery Credits charged for the reservation;
  - ii. the number of Discovery Credits remaining on the Discovery Membership;
  - iii. the last date for change or cancellation without penalty; and
  - iv. time of resort check-in and check-out.

- j. High Demand Dates may apply and are determined by the WorldMark South Pacific Club from time to time as having very high occupancy and typically include gazetted public holidays and school holidays. Please refer to High Demand Dates for Wyndham Sydney Suites:

Discovery Members will be required to pay STT and ECAL, in addition to the Credit values that will apply for a stay at this resort and it will be applied to room accounts for payment on check-out.
 

Further details of this additional fee can be obtained from the Discovery Service Specialist Team at (or prior to) booking.
- l. Discovery Members may make reservations at selected Resorts that are listed in this Discovery Program Guide and published at [www.discoverybywyndham.com.au](http://www.discoverybywyndham.com.au).
- m. Not all WorldMark South Pacific Club Resorts are included in the Discovery Program and selected Resorts may change from time to time without prior notice by Wyndham.
- n. Discovery Members with medical documentation or special needs may request specific room features when reserving a Resort Apartment, however there is no guarantee all requests can be honoured as all reservations are subject to availability.

### 4. Family and Friends

- a. Family and friends are welcome to join a Discovery Member during a Resort stay provided the Discovery Member is present at the time of check-in for all reservations and for the duration of the Resort stay.
- b. Applicable administration fees will apply when transferring, adding or removing a Discovery Member to/from a Discovery Membership after the date of purchase.

### 5. Waitlists

- a. Should a Discovery Member's desired Resort, room type or travel dates be unavailable, they may request a waitlist for their preferred reservation by contacting the Discovery Service Specialist Team to be notified should they become available. Please note, notification does not constitute a reservation unless confirmed in writing per clause 3(f)(iv).

### 6. Use of Rental Credits for Discovery Reservations

- a. Should a Discovery Member not have sufficient Discovery Credits to complete a reservation, Rental Credits may be purchased at a per Credit rate. Please contact the Discovery Service Specialist Team for current rates.

- b. Rental Credits are for one time use only and a reservation using Rental Credits cannot be completed until all Rental Credits are paid in full.
- c. Rental Credits can only be used in conjunction with Discovery Credits and may not be used as a standalone method of payment.

## 7. Housekeeping

- a. Each Discovery Membership account is entitled to one (1) housekeeping token for the duration of the Discovery Membership, which may be used for one (1) continuous stay in a Resort Apartment.
- b. For all other Resort stays and additional Resort Apartments, Discovery Members will be required to pay the applicable housekeeping fee, which depends on room size and type. Refer to table on page 10 or go to [www.discoverybywyndham.com.au/housekeeping](http://www.discoverybywyndham.com.au/housekeeping) for current housekeeping rates.
- c. Housekeeping is payable at the time of making a reservation and the housekeeping service occurs at the end of the Discovery Member's Resort stay.
- d. For reservations of eight (8) nights or more there will be a complimentary mid-stay room refresh.
- e. For consecutive night stays split between two (2) or more Resorts, applicable housekeeping fees will apply for each Resort Apartment reservation.
- f. Additional housekeeping services may be requested by contacting the Front Desk at the Resort and paying the applicable housekeeping fee.

## 8. Minimum Night Stays

- a. There is a seven (7) night minimum stay during Red Season for any reservation booked more than nine (9) months in advance of the check-in date, unless that stay falls within clauses 8(b) and 8(c). This seven (7) night minimum stay is for consecutive nights and may be split between two (2) or more Resorts. Housekeeping fees will apply.
- b. There is no minimum stay for any reservation booked during Red Season 3, 4, 5, 6, 7, 8 or 9, unless the reservation includes either a Friday or Saturday, where there must be a two (2) night minimum stay.
- c. At Wyndham Sydney Suites there is a three (3) night minimum stay during Red Season for any reservation booked more than nine (9) months in advance, except for those dates described as High Demand Dates, where there is a seven (7) night minimum stay. All three (3) night stays must be for consecutive nights. Seven (7) night stays must also be for consecutive nights but may be split between Wyndham Sydney Suites and another Resort. Housekeeping fees will be applicable.
- d. There is a two (2) night minimum stay when either a Friday or a Saturday is included in the reservation, subject to two (2) nights being available.
- e. Only one (1) Friday AND Saturday night booking ('Weekend-Only' Booking) may be reserved on a Discovery Membership at any one time for each full block of 6,000 Discovery Credits held. For example, a Discovery Member with 20,000 Credits would be able to have three (3) Weekend-Only Bookings at any one time reserved on their account.
- f. For any reservation made less than nine (9) months from

the date of check-in, there is no seven (7) night minimum, however the minimum stay requirement for reservations that include either a Friday or Saturday is two (2) nights.

## 9. Reservation Amendments and Cancellations

- a. Discovery Members may amend or cancel a reservation by giving notice in the manner stated on a reservation confirmation.

*Note: These timeframes may change from time to time. Discovery Members will be notified of any changes.*

  - i. alters a reservation by increasing the number of reserved nights at the reserved Resort Apartment; or
  - ii. alters a reservation by upgrading the type of reserved Resort Apartment, on condition that the number of nights reserved for the reservation does not decrease; or
  - iii. cancels a reservation and reinstates that cancelled reservation, subject to availability, provided that the cancelled reservation is not reserved by another Discovery Member, Owner, guest or person. It is a further condition that if the cancelled reservation causes expired Discovery Credits, those Credits shall be forfeited and not applicable to be used to reinstate the cancelled reservation.
- d. If a Discovery Member does cancel a reservation outside allowable cancellation periods, the number of Discovery Credits used to make the reservation will be forfeited unless an exception as outlined in clause 9(c).

  - i. if another reservation is made for the exact same Resort Apartment type, size and dates the Discovery Member cancelled outside of the allowable period; or
  - ii. where sufficient and reliable documentary evidence is provided to demonstrate that the cancellation was due to the death or serious medical condition of a Discovery Member, their immediate family member or a guest that was scheduled to accompany the Discovery Member on the reserved travel.

- f. If a Discovery Member's Discovery Credits are reinstated under clause 9(d) they can only be given the same Credit Expiry date they would otherwise have if they were never used in the first instance.
- g. Aside from clauses 9(a), 9(b) and 9(c), Discovery Members are entitled to reduce the number of nights reserved, however the Discovery Member will be charged a cancellation fee and forfeit Discovery Credits. The Discovery Credits forfeited by the Discovery Member will equal the difference in the number of Discovery Credits used to reserve the Resort Apartment prior to the reduction and the number of Discovery Credits used to reserve the Resort Apartment immediately after the reduction.
- h. Aside from clauses 9(a), 9(b) and 9(c), Discovery Members are entitled to downgrade the type of reserved Resort Apartment, however the Discovery Member will be charged a cancellation fee and forfeit Discovery Credits. The Discovery Credits forfeited by the Discovery Member will equal the difference in the number of Discovery Credits prior to the downgrade and the number of Discovery Credits immediately after the downgrade.
- i. A Discovery Member cancelling any part of a seven (7) night minimum stay during Red Season split between two (2) or more resorts must immediately replace that cancelled part of the split with an equal or greater number of nights and an equal or greater number of Discovery Credits. If the Discovery Member does not replace the cancelled part in accordance with this regulation, the entire seven (7) night minimum stay must be cancelled with a 48-hour waiting period between the cancellation and a new reservation.
- j. There is also a 48-hour waiting period between a cancellation and a new reservation if a Discovery Member cancels a one (1) week reservation during Red Season and requests that same reservation for less than one (1) week within nine (9) months or less from the first date of stay.
