How does Lifestyle work?

We feature great offers on great brands, which are available for purchase directly via our website or via a third party supplier. Lifestyle has taken the work out of finding discounts on great brands by storing them in one easy to use location accessible 365 days a year. It's so simple, select your deal, enter your details, hit 'Buy Now' and leave the rest to our friendly Lifestyle Solutions by WorldMark team!

If you would like to purchase a product listed on Lifestyle Solutions by WorldMark, head to www.lsbw.com.au.

Who has access to Lifestyle?

Lifestyle is currently available to all WorldMark South Pacific Club Owners and Wyndham Staff. It is a tiered program that offers tailored discounts depending on your Privileges tier level of membership.

How is Lifestyle different from the Privileges program?

Although Privileges members can access further discounts from the website, the Lifestyle program is separate and distinct to Privileges by Wyndham. You may however access your exclusive Privileges Retail Shop Specials within the Lifestyle website.
