## RCI Elite Benefits Owner Fact Sheet

To book using a Guest Certificate, you must call an RCI Consultant, confirm a reservation and add the Guest Certificate to the booking, which allows you to add your friends/family members name to the reservation – therefore the friends/family members can travel on the reservation instead of yourself.

### Spacebank Extension

Spacebank extension provides a free three-month extension when you are Spacebanking your Vacation Credits. Vacation Credits can usually be banked in the Spacebank for up to two years, therefore the Spacebank extension allows Vacation Credits to be banked for up to two years and three months in total. To utilise this extension, you must call an RCI Consultant and request the extension.

This benefit can be used once every Anniversary Year.

**Please Note:** You must book and travel within the Spacebanked period.

### RCI Cancellation Protection

If you have to cancel your holiday due to any circumstances, you can call an RCI Consultant who will waive the cancellation fee on your booking, when cancelled more than 45 days in advance.

This benefit can be used once per calendar year.
